Windschild Repair Kit Manual
This manual provides detailed instructions for the repair of windscreens on Aston Martin DB3 cars. It covers the removal of the old glass, preparation of the frame, and the application of the repair kit. The kit includes a special adhesive and a repair compound designed for long-lasting results. The instructions are clear and easy to follow, ensuring a professional finish. The manual also includes a list of parts and materials required for the repair.

For more information on this and other repair kits, visit our website at www.cg.com.
CG is the leader in providing high-quality repair kits for a wide range of vehicles. Our products are designed to be easy to use and provide long-lasting results. We offer a wide range of repair kits for cars, trucks, and motorcycles. Our kits are made from the highest quality materials and are backed by a money-back guarantee.
