chemistry degree  
throughout the world.

The judicious choice of topics, the clear writing style of both authors, and the careful exposition of maths, reaffirm the book's position as market leader. In the eighth edition the authors provide a more compact presentation through the careful restructuring and redistribution of material.

the benchmark of achievement for a chemistry degree throughout the world. Its broad coverage, concise explanations, and robust mathematical support are clearly presented in an engaging style to furnish students with a solid foundation in the subject. In this ninth edition the authors continue to refine their presentation of physical chemistry.
