Automate This: How Algorithms Came To Rule Our World ...

In "Automate this - How algorithms came to rule our world" Steiner managed to interview some of the hidden masterminds - even of companies operating mostly in stealth mode. A creator of an algorithm turning his "child" into a cashcow has no need to tell the world about it!

Automate This: How Algorithms Came to Rule Our World ...

This is an enjoyable read about algorithms. (Pause to allow that sentence to settle.) Another Goodreads reviewer wrote that it is "more an extended magazine article than a book" and I think that captures the style and weight of the piece perfectly.It's a light read that doesn't really get into what an algorithm is, but it does chart the impact of bots or automated decision trees on a number of ...
