OSAT Test. In 1995, the Oklahoma Commission for Teacher Preparation, or OCTP, was developed in response to the House Bill 1549 being created. The OCTP is now referred to as the Office of Educational Quality and Accountability, or OEQA; however, their goal has not changed: to create and apply a competency-based educator testing system.

This scathing comment from a recent study: “College was a total waste of time and money. What if schools had some sort of HR education curriculum that required—or at the very least suggested—its students study from those actively participating in the field ? And don’t let the term “case study” frighten you.
