Nothing prepares people for a career in CSR then the combination of experience in business AND with social impact organizations. At MovingWorlds, we support a lot of professionals actively building their CV's to prepare for a career in CSR. In addition to recommending that people engage in skills-based volunteering, these are the 6 books we recommend most highly:

**6 Must Read Books for a Career in CSR**

The modern era of CSR, or social responsibility as it was often called, is most appropriately marked by the publication by Howard R. Bowen of his landmark book Social Responsibilities of the Businessman in 1953. Bowen's work proceeded from the belief that the several hundred largest businesses in the United States were vital centers of power and decision making and that the actions of these ...
