## **Ford Explorer Sport Trac Workshop**

The Ford Explorer Sport Trac, sometimes referred to as simply the Ford Sport Trac, is a mid-size sport utility truck (SUT) sold mostly in North America produced by Ford from 2000 through 2010. The Sport Trac was based on the Ford Explorer SUV - not based on the compact Ford Ranger (North America) - because it was introduced when the Explorer and Ranger platforms diverged (Explorer's chassis was a heavy duty variant of the Ranger's).

The Ford Explorer Sport Trac is a very reliable truck, from my experience. I get better gas mileage than expected (though still not great - it's a truck, after all) and the ride is very, very smooth. The inside has a ton of space for people and cargo. Also, I just like the general shape and look of the curves of the vehicle from the outside.
