The Silver WS-852 from Olympus is a digital voice recorder with two directional microphones positioned at a 90° layout for capturing audio. Recognized for its clear audio quality and superb operability, the WS-852 features the intelligent Auto Mode which automatically adjusts the recording level to match the volume of the sound source.

Olympus WS-853 Digital Voice Recorder - Walmart.com ...

The new WS-852 features a new Intelligent Auto Mode, which is perfect for when there is a distance between the speakers and recorder, such as in large meeting rooms. The recorder optimises the recording level regardless of whether the audio source is near or far, making it possible to record audio that is easy to listen to.
