Reframing Organizations, 6th Edition [Book]
Reframing Organizations provides time-tested guidance for more effective organizational leadership. Rooted in decades of social science research across multiple disciplines, Bolman and Deal’s four-frame model has continued to evolve since its conception over 25 years ago; this new sixth edition has been updated to include coverage of cross-sector collaboration, generational differences, virtual environments, globalization, sustainability, and communication across cultures.

Reframing Organizations (6th ed.) by Bolman, Lee G. (ebook)
The framework provides a clear alternative to traditional approaches in organisation development (OD) which are generally suited to situations where smaller scale or incremental adjustments are required. It is structured around three core issues in organisational change management: the
nature of organisations and what constitutes an improvement to them, appropriate strategies for levering change, and change agent roles.
