Journal of Second Language Writing - Elsevier

A person's second language, or L2, is a language that is not the native language (first language or L1) of the speaker, but is learned later (usually as a foreign language, but it can be another language used in the speaker's home country). A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language.

problem.

Benefits of Learning a Second Language

During our day-to-day tasks, we rarely give a second thought to our own vocabulary and grammatical rules. We are confident in our capabilities and often ignore common practices. As we learn a new language, we focus on these constructions of the language, making us think about what they are in our mother tongue. 5.
