Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

The Tale Of A Persian

Folktales. Storytelling has an important presence in Iranian culture. In classical Iran, minstrels performed for their audiences at royal courts and in public theaters. A minstrel was referred to by the Parthians as *gōsān* in Parthian, and by the Sasanians as *huniyāgar* in Middle Persian. Since the time of the Safavid dynasty, storytellers and poetry readers appeared at coffeehouses.

Iranian folklore - Wikipedia

Within its pages, A Persian Tale describes the formation of a new city upon the hills and the plains of a desert, destined to forever alter the history of its people, laying the foundation for one of the most important religious movements that the world would ever know.

By Homa A. Ghahremani . Abstract: There are several different versions of this tale in Persian and as they have been orally transmitted from one generation to another, the originality of any of them cannot be proven. A few years ago an Iranian writer collected them from people of different provinces in Iran. What follows is a compilation from six versions.
